Hello, this is Serabi Ryoussangata.
While I was working on this tankouton
I was moving out of my workplace (+house)
so it's been hectic times, but I'm still quite healthy

In this volume, I was finally able to introduce Hinano's school friend.
Her name is Momo-chan (full name: Momose Yui)
The main character is in middle school so it's difficult to put her in the
plot, but please be excited for her addition.
Tomboys are one of my favorite types ♪

And...
There was the sudden appearance of a white-clothed
woman, and the fate of Tomura-san
is a mystery!!
